Start Date: The authorization start date is the date that you sign this form authorizing release of information.
Expiration Date: The authorization shall continue until enrollment in the Exceptional Family Member Program is no longer necessary according to criteria specified in DoD Instruction 1315.19, or if family member no longer meets the criteria to qualify as a dependent, or the sponsor is no longer in active military service or in the employment of the U.S. Government overseas, or completion of assignment coordination, or eligibility determination for specialized services if that is the sole purpose for the completion of the form.

I understand that:
a. Failure to release this information or any subsequent revocation may result in ineligibility for accompanied family travel at government expense.
b. I have the right to revoke this authorization at any time. My revocation must be in writing and provided to the facility where my or my child's medical records are kept. I am aware that if I later revoke this authorization, the person(s) I herein name will have used and / or disclosed protected information on the basis of this authorization. My revocation will have no impact on disclosures made prior to the revocation.
c. If I authorize my or my child's protected health information to be disclosed to someone who is not required to comply with federal privacy protection regulations, then such information may be re-disclosed and would no longer be protected.
d. I have a right to inspect and receive a copy of my own or my child's protected health information to be used or disclosed, in accordance with the requirements of the federal privacy protection regulations found in the Privacy Act and 45 CFR 164.524. I request and authorize the named provider / treatment facility to release the information described above for the stated purposes.
