

KICK-START YOUR POST-TRANSITION CAREER WITH VA BENEFITS

The Veteran Affairs (VA) Career and Employment benefits offer the help you need to build your post-separation career and find opportunities that are right for you.

www.va.gov/careers-employment

The VA Education and Training benefits may be used toward traditional degrees, non-college degrees, on-the-job training, apprenticeships and more! A few key programs that Veterans may be able to use to pursue their dream career include:

- Post-9/11 GI Bill: www.va.gov/education/about-gi-bill-benefits/post-9-11
- Vocational Rehabilitation and Employment (VR&E): www.va.gov/careers-employment/vocational-rehabilitation/programs/

The VA also offers other employment resources for every stage of a Veteran's job search. Veterans who qualify for VA employment services can:

- Search for jobs and find employers who hire Veterans.
- Access apprenticeships and on-the-job training using the GI Bill.
- Receive one-on-one career counseling.

Additional VA Career and Employment resources are available. Visit va.gov/careers-employment/ or visit VA.gov to learn more about all VA benefits.
