

# RESILIENCE STARTS HERE

A stylized profile of a person's head facing right, filled with the colors and patterns of the American flag. The top part is dark blue with white stars, the middle is purple and blue with white stars, and the bottom is yellow and red with white stars. The background is a dark blue gradient with white stars.

## Warrior Network Group

(WNG) is designed to provide Marines with the skills and tools they need to manage their emotions, build positive relationships, and make responsible decisions.

WNG is designed for all ranks. Leadership can determine the pace at which groups proceed.

The skills learned are essential for Marines to be successful in their roles and in their interactions with others.
